Venue: CEE@IBA, Karachi

TOPICS COVERED
- Determine behavioral style and how to best interact with others in the negotiation
- Develop an effective plan and strategy for any negotiation
- Negotiate in person, on the phone, individually and in teams
- Immediately recognize manipulative tactics and how to respond
- Recognize counterproductive assumptions and positions
- Utilize the phases of negotiation for better outcomes
- Deal with difficult people objectively and assertively
- Build creative solutions to challenging scenarios

OVERVIEW
Negotiation skills are critical whether selling products or services, purchasing supplies and materials, negotiating salary and job requirements or obtaining internal resources for project support. Participants in this dynamic training learn how to strengthen their negotiation skills through classroom game sessions, extensive role-play and exercises. They receive one-on-one feedback that helps improve their ability to communicate and negotiate in complex and difficult negotiation sessions. Participants will build skills negotiating individually and in team negotiation environments.
