Workshop on Networking Skills that Work
Broadening the Profitable Interactions

Program at a Glance

Good networking skills are vital in today’s world of work.

- Successful managers spend 40% of their time networking
- Networking provides 80% more results than other forms of networking
- Over 65% of jobs are sourced through networking

Many leaders in industry and business come from a non-business and a non-marketing environment and often do not realize the power and the deep concept of networking.

This programme gives participants the essential nuggets to develop and use core networking skills, which is an invaluable asset to any business or individual.

This is one of the most efficient ways through which it can have an extensive rippling effect on your personality and/or business.
