

Conference on Managing Family Businesses

A conference on Managing Family Businesses was held on March 25th, 2014 in Karachi and on March 26th in Lahore to announce start of second series of the workshops on the subject. The first series was started in October 2012 and was successfully concluded in November 2013. This workshop series is a joint venture of IBA Karachi and SPJ Institute of Management and Research, Mumbai.

Dr. Ishrat Husain, Dean & Director IBA Karachi

The workshops of series inculcate and draw from researches that have been carried over the last two decades at SPJIMR to address the concerns about adapting to the emerging opportunities and managing growth in the family businesses. These workshops aim at providing a guided opportunity to the participants:

1. To reflect on their current style of running family businesses
2. Identify the new elements required for gearing up for the change &
3. Start working on the same

The Conference began with the address of Dr. Ishrat Husain-Dean and Director IBA Karachi followed by a complementary lecture by Prof. Parimal Merchant. After the lecture a panel discussion was held with the past participants of
