

Workshop on
**Mastering the Balanced
Scorecard for Strategic Excellence**

 June 6 & 7, 2024

 IBA City Campus

Program Overview

Balanced Scorecard is the most widely used Strategic Management framework among Fortune 1000 businesses. The success of this tool lies in the extensive yet intuitive process it uses to connect employee's everyday work with the long-term strategy of the business. This 2-day hands-on workshop is designed to develop a detailed understanding of Balanced Scorecard among the participants – enabling them to independently undertake a pilot implementation. Participants will learn the 9 steps framework which starts with competitive assessment of the market and moves on to developing, implementing and reviewing a firm's strategy.

The program also includes extensive sessions on KPIs development from a strategic perspective and introduces dashboards to improve strategic communication and HRM.
