Workshop on
**Transforming a
Manager to a Coach**

September 24 & 25, 2024

City Campus, IBA Karachi

Program Overview

Manager is Coach helping his team to drive sustainable high performance through habits and sustainable change. It will result in better life which will result in better performance through science of sustainable change.

It will start with Wellbeing survey and the discussion of the report of the participants. The data and what it means for health and performance, and development of a framework for change. Professional competencies of a good coach/tool kit for managers.

Driving sustainable high performance: what it is and practical steps and tips to achieve it and having mental and physical energy to learn, develop, and perform for long term both personally and professionally. Practicing in situational exercises of practicing Coaching in one to one situations. Finally making a Plan for Change.

Who Should Attend

Managers and directors oversee the dynamic aspects of both small and large teams. They lead, strategize, and ensure goals are met while adapting their approach to team size. Small teams require a more hands-on, personal touch, while larger teams demand a broader organizational perspective. Both roles are pivotal in achieving organizational success.

Dr. Nyla Ansari
Associate Professor, IBA Karachi

Mr. Nasir Ahmed
CEO, Apple Valley Consulting
