

## At Crossroads In Your Career?

### Diploma in

# Accounting, Finance & Law

### BASIC MODULE

#### OVERVIEW

The "Advance Diploma in Accounting, Finance & Law" is a program that provides an opportunity for those who have some background in accounting and finance and currently deal with development of financial information in mid tiers. Aim is to enhance their proficiency so that financial information that reaches the top echelons is relevant, reliable and is on time. The program is expected to provide solid foundation in terms of knowledge and experience to build or extend their understanding of topics such as financial accounting, managerial accounting and reporting, corporate finance and business laws.

#### BENEFITS

- Upon successful completion, a participant will:
- o Learn how to effectively apply analytical techniques,
  - o Improve effectiveness of financial communication and
  - o Acquire diverse understanding of the subject matter to contribute significantly towards financial decision making.

#### ELIGIBILITY

- An applicant must have:
- o A bachelor's degree from HEC recognized educational institution in accounts and finance
  - o An adequate post qualification work experience
