

Workshop on People Analytics and Dashboards

March 14, 2019

9:00 am to 5:00 pm

Venue: CEE@IBA, Karachi

OVERVIEW

Creating visibility and insights on people related strategic and operational challenges in the organizations is one of the key expectations from HR professionals from the management. "HR Analytics and Dashboarding" is a one-day training program designed to help HR professionals in analyzing key areas of HR Value Chain and creating insightful dashboards, with the mindset of organizational decision-making enabler on HR challenges for the management.

Overall, the program is divided into two main parts. During the first half before lunch. Participants will learn the fundamentals of creating interesting and insightful HR dashboards through a robust framework of "Define, Collect, Analyze & Create. In the second half they will practice and develop dashboards around complete HR Value Chain and create insightful HR Dashboards based on some real-life interesting workplace scenarios and data.

WHO SHOULD ATTEND?

This workshop is designed for all HR managers and professionals who would like to enhance their competency of reporting HR related information for the purpose of benchmarking and future oriented decision making on people related challenges in the organization backed by sophisticated analytics.

FACULTY

Shuja Shams is a certified Ken Blanchard Trainer.

Shuja is a business graduate from IBA Karachi and has more than twenty years of professional work experience, primarily in the areas of Human Resource Management and Operations Management. Starting his career with ICI Pakistan Limited as a Management Trainee in 1997, he also worked for other prestigious organizations including Engro and Mobilink on various local and international assignments at senior management levels. Shuja's last assignment in corporate sector was with Mobilink as Director HR Business Partners. At Mobilink, Shuja also worked in Amsterdam on an international assignment as HR Project Leader and conducted project rollout workshops at Rome, Moscow, Keiv, Astana and Dhaka.
