

Leadership • Excellence • Impact

# Diploma in **Aviation Leadership & Management**

From Runways to Revenue, Master It All.

CIVIL AVIATION TRAINING INSTITUTE  
HYDERABAD

# Program Overview

The Diploma in Aviation Leadership & Management, offered in collaboration with the Civil Aviation Training Institute (CATI), is a specialized program designed to equip professionals with the strategic insights and operational expertise required to excel in the aviation industry.

This diploma provides a comprehensive understanding of global aviation regulations, airline and airport management, safety and security protocols, air traffic operations, and emerging technological advancements that are shaping the future of aviation.

The aviation industry is evolving rapidly, with new regulations, technological innovations, sustainability initiatives, and market disruptions. This program addresses these challenges through expert-led instruction, real-world case studies, and interactive discussions—developing strategic leadership skills and hands-on operational knowledge.

# Topics Covered

1. Global Aviation Industry & Regulatory Framework
2. Airline Operations & Strategic Management
3. Airport Planning & Management
4. Air Traffic Management & Navigation Systems
5. Aviation Safety, Security & Risk Management
6. Commercial Aviation, Marketing & Revenue Management
7. Sustainable Aviation & Future Trends
8. Legal and Regulatory Compliance in Aviation

# Learning Outcomes
