

# Diploma in Taxation

**From Numbers to Strategies, Master It All**

# Program Overview

This program offers an in-depth exploration of taxation principles, ensuring participants are well-equipped to navigate the complexities of the tax system. This program addresses the evolving needs of tax professionals, accountants, and legal advisors. Participants will gain a robust foundation in both theoretical and practical aspects of taxation, enabling them to handle real-world tax challenges confidently. The curriculum is designed to be both rigorous and relevant, incorporating the latest developments in tax legislation and policy.

Through this program, you will have the opportunity to learn from industry experts and seasoned practitioners who bring a wealth of experience and insights to the classroom.

# Topics Covered

1. Introduction to Taxation
2. Income Tax Ordinance, 2001
3. Sales Tax Act, 1990
4. Federal Excise Act, 2005
5. Customs Act, 1969
6. Tax Planning and Management
7. Tax Audits and Investigations
8. International Taxation
