

Diploma in International Trade

From Borders to Business, Master It All.

Program Overview

The Diploma in International Trade, developed in collaboration with Pakistan Single Window (PSW), is designed for professionals seeking to expand their understanding of global trade practices and enhance their skills in managing international business transactions. This program covers the full spectrum of international trade, from global market trends and trade regulations to customs procedures and logistics management.

With the support of industry experts and real-world case studies, this diploma program provides participants with the knowledge to navigate the complexities of global commerce, boosting their ability to thrive in the international marketplace. Whether you are looking to enhance your existing skills or break into the world of international trade, this program is the ideal foundation for career advancement and global business success.

Topics Covered

1. Introduction to International Trade & Global Market Dynamics
2. Trade Regulations, Policies, and International Trade Agreements
3. Export and Import Procedures and Documentation
4. Customs Law & Compliance
5. International Payment Systems & Financing Options
6. International Logistics & Supply Chain Management
7. Risk Management in International Trade
8. Cross-Cultural Negotiation and Communication
9. Trade Facilitation & International Business Strategies
