Program Overview

The Diploma in Management Consulting, offered in collaboration with Sidat Hyder Morshed Associates Private Limited (SHMA), is designed to provide a deep understanding of the core principles, tools, and methodologies. This program blends theoretical knowledge with practical insights, preparing participants for consulting roles across various industries.

Participants will gain exposure to the latest trends in business strategy, organizational development, problem-solving techniques, and change management—skills essential for consultants who guide organizations toward sustainable success. By leveraging SHMA's extensive experience in corporate advisory, strategic consulting, and business transformation, the program offers industry-relevant learning with expert-led sessions and hands-on case studies.

Topics Covered

1. Introduction to Management Consulting
2. Consulting Frameworks & Methodologies
3. Business Strategy & Market Analysis
4. Organizational Design & Development
5. Project Management in Consulting
6. Problem Solving & Decision Making
7. Change Management & Organizational Transformation
8. Client Relationship Management
9. Ethical Issues & Professional Standards in Consulting
10. Consulting Tools: Data Analysis & Reporting Techniques

Learning Outcomes

By the end of this program, you will:

- Master the consulting lifecycle, from project initiation to final delivery.
- Develop expertise in strategic planning, market analysis, and operational improvements.
- Enhance your problem-solving and analytical thinking to address complex business challenges.
- Learn to manage relationships, understand client needs, and propose actionable solutions.
- Gain skills in change management and guiding organizations through transformational processes.
- Learn how to use modern consulting tools and frameworks for high-impact results.
- Understand the ethics and standards in consulting to maintain professional integrity.

Who Should Attend?
