

SUMMER SCHOOL

Certificate in Early Childhood Care & Education (ECCE)

July 14-19 & 21-23 , 2025

Open to All Ages

Program Overview

This intensive 36-hour Certificate in Early Childhood Care & Education (ECCE) program is an engaging, activity-based course designed to empower educators with the latest knowledge and skills. The program revisits the evolving role of early years teachers, focusing on the recently developed ECCE curriculum framework that promotes holistic child development.

Learning Outcomes

- Understand the fundamentals of child development and learning.
- Explore the impact of brain development in early years.
- Design effective learning environments using ‘Learning Corners.’
- Master early childhood curriculum design and innovative pedagogies.
- Apply play-based and inquiry-based learning techniques.
- Implement practical assessment methods for young learners.
- Strengthen home-school partnerships for child development.

Topics Covered

- Early childhood practitioners.
- Early years school leaders.
- Aspiring educators and Montessori teachers.
- Teachers from both government and private sectors.
- Parents seeking to enhance their understanding of child development.
