

SUMMER SCHOOL

**Teachers' Bootcamp:
Empowering Educators
for Excellence**

July 20–24, 2026

Open to All Ages

Program Overview

The Teachers Bootcamp is a dynamic professional development program designed to equip educators with modern teaching skills and practical strategies to enhance classroom effectiveness. This comprehensive bootcamp consists of six focused 2-hour workshops, each addressing a critical aspect of teaching and classroom management. Participants will explore innovative methods for motivating slow learners, leveraging game-based learning, improving communication skills, integrating AI-driven assessments, fostering a safe and inclusive environment, and managing classroom stress. Through interactive sessions and evidence-based practices, educators will gain valuable insights to enhance student engagement and learning outcomes.

Learning Outcomes

- Strategies for Motivating Slow Learners in the Classroom
- Learn How to Learn Through Game-Based Learning
- Effective Communication Skills
- Assessment: Traditional Assessment Models vs. AI Models
- Anti-Bullying and Peer Support Training
- Classroom Stress Management Techniques

Topics Covered

- Develop practical teaching strategies for diverse learners.
- Enhance communication skills for effective classroom interactions.
- Integrate modern assessment techniques, including AI models.
- Foster a safe, supportive, and inclusive classroom environment.
- Apply stress management techniques to maintain a positive learning atmosphere.
- Build capacity for using innovative teaching methods to boost student engagement.
