

# CONVERSATIONAL ENGLISH SKILLS

**July 19 to August 01, 2023**

*Mon, Wed & Fri  
Time: 6:00 pm to 8:00 pm  
IBA City Campus*

***Strong conversation skills can  
make a big difference in your life.***

*How do you elevate a casual conversation into a really good one, especially in the workplace? How can you improve your conversation skills? How can you make conversations part of your daily routine?*

*'A good conversation takes work. We're involved and invested, so we remember.'*

*Taking charge of a conversation, breaking out of an unproductive conversation pattern, or choosing to incorporate a story in your conversation does not always feel natural, especially to those who struggle with their English language skills. Strong conversation skills can make a big difference in your life.*

## TESTIMONIALS

*"My experience with Ma'am Barera Quadri's Conversational English skill course had been phenomenal. In a diverse class, with peers as young as 14 and as old as 50, it seemed nearly impossible to learn all levels of this skill but Ma'am Barera Quadri strategically catered us all. Her intriguing activities & brainstorming has removed my stage fright and stuttering. Finally her one on one consulting makes you a pro."*
