Leadership and Ideas for Tomorrow

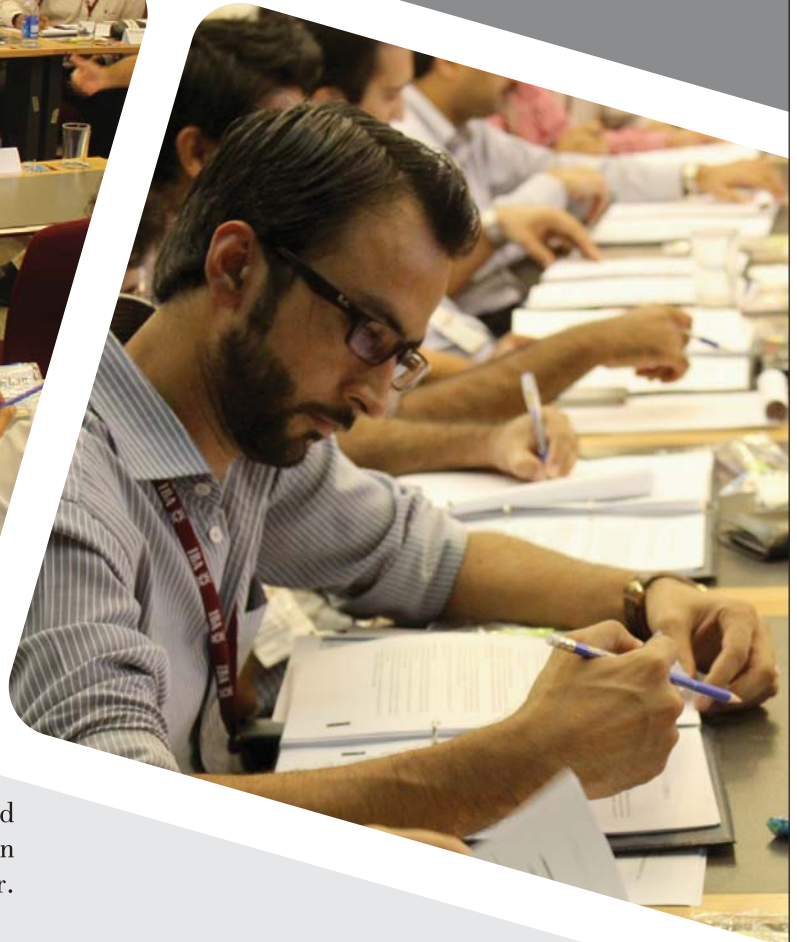

Workshop on Application of Corporate Laws for Decision Making

Finance,
Accounting & Law

January 28 & 29, 2014

9:00am – 5:00pm

Venue: CEE@IBA, Karachi

OVERVIEW

Every executive decision is required to be backed by laws. Corporate laws play very pivotal role in the decision making within the corporate sector.

This specially crafted interactive programme will enable the participants to understand and use the rationale of corporate laws, inculcated in its different components and can be used in different perspectives.

In addition, latest case studies will be used to provide the participants with practical application of these laws.

LEARNING OUTCOMES

Updating & orientation is an ongoing process, which double folds its importance in the field of law, and when it comes to corporate sector, where corporate laws are taken tools from different dimensions and perspectives (which involves decision making also), its important become multi-folds.
