OVERVIEW

Written communication is a very important aspect of the business world. It facilitates in fixing accountability and responsibility of people for proper functioning of the organization. Written communication helps the organization in doing business and building good relationship with other organizations. As everything should be communicated in a written form by the manager to the personnel of the organization and these messages can be saved for future references and proofs, one simply cannot be careless about his writing skills. Good written communication contributes to the success of an organization. Mastering this basic management skill enables you to write well and enhance your contribution for your organization and increase your chances of advancement. 'Writing badly can be costly.' It can lead to confusion and irreparable damage, wrong decision and a bad reputation for your company and you. Therefore, it is important to recognize and use those strategies that will help achieve right results, for example to persuade, advice, inform, most of all to influence the reader and convey the right message.
