Challenges & Solutions in Managing FMCG Supply Chains in Pakistan

Guest Speaker: M Qaysar Alam

President *Aaramshop Pakistan Limited* an online grocery shopping network. On the Boards of Directors *GS1*, *Al Shaheer Corporation Ltd.* and President *Supply Chain Association of Pakistan*. Consultant and a well-known speaker/trainer at various business schools and forums. Worked for 29 years at *Unilever Pakistan*, taken early retirement in June'12. There, for last 8 years served as Vice President Supply Chain, was on the Boards of Directors, Member of Audit committees and Management Committee.

He is the key architect of Unilever Pakistan's Supply chain structure and processes making it a forward looking SC, achieving efficiencies in speed, service and cost. Led the team to meet Unilever's aggressive growth plan and prepared for the future challenges by adding and training new resources with re-organisation and key process changes.
