

Management Development Program: Focusing on Team Building

March 19 & 20, 2020

9:00 am to 5:00 pm

Venue: CEE@IBA, Karachi

OVERVIEW

As a manager, you are the driving force behind outcomes that have a direct impact on the success of your organization. Managers play a critical role in their organization because they are responsible to formulate strategies, lead their teams and keep them motivated, make the most efficient use of allocated resources and also ensure they are on the right track to achieve the broader institutional goals and vision of the organization. This program will be an investment in you as a manager. MDP aims to improve and reinforce your leadership abilities and equip you with skills and knowledge that will help you effectively manage and develop your teams. It will boost your competency as an effective resource for different national and international organizations. In this program, you will meet other professionals from the industry like yourself, overcome practical challenges and work as teams to find effective solutions. The program consists of completing five modules over a course of 2 days.

WHO SHOULD ATTEND?

This is a class designed for all those who aspire to learn the key success elements required to manage their organization successfully including:

- Managers from any industry
- Managers of Managers
- Leaders of a division/functional area/project
