

Building Team Excellence

27 & 28 October, 2025

City Campus, IBA Karachi

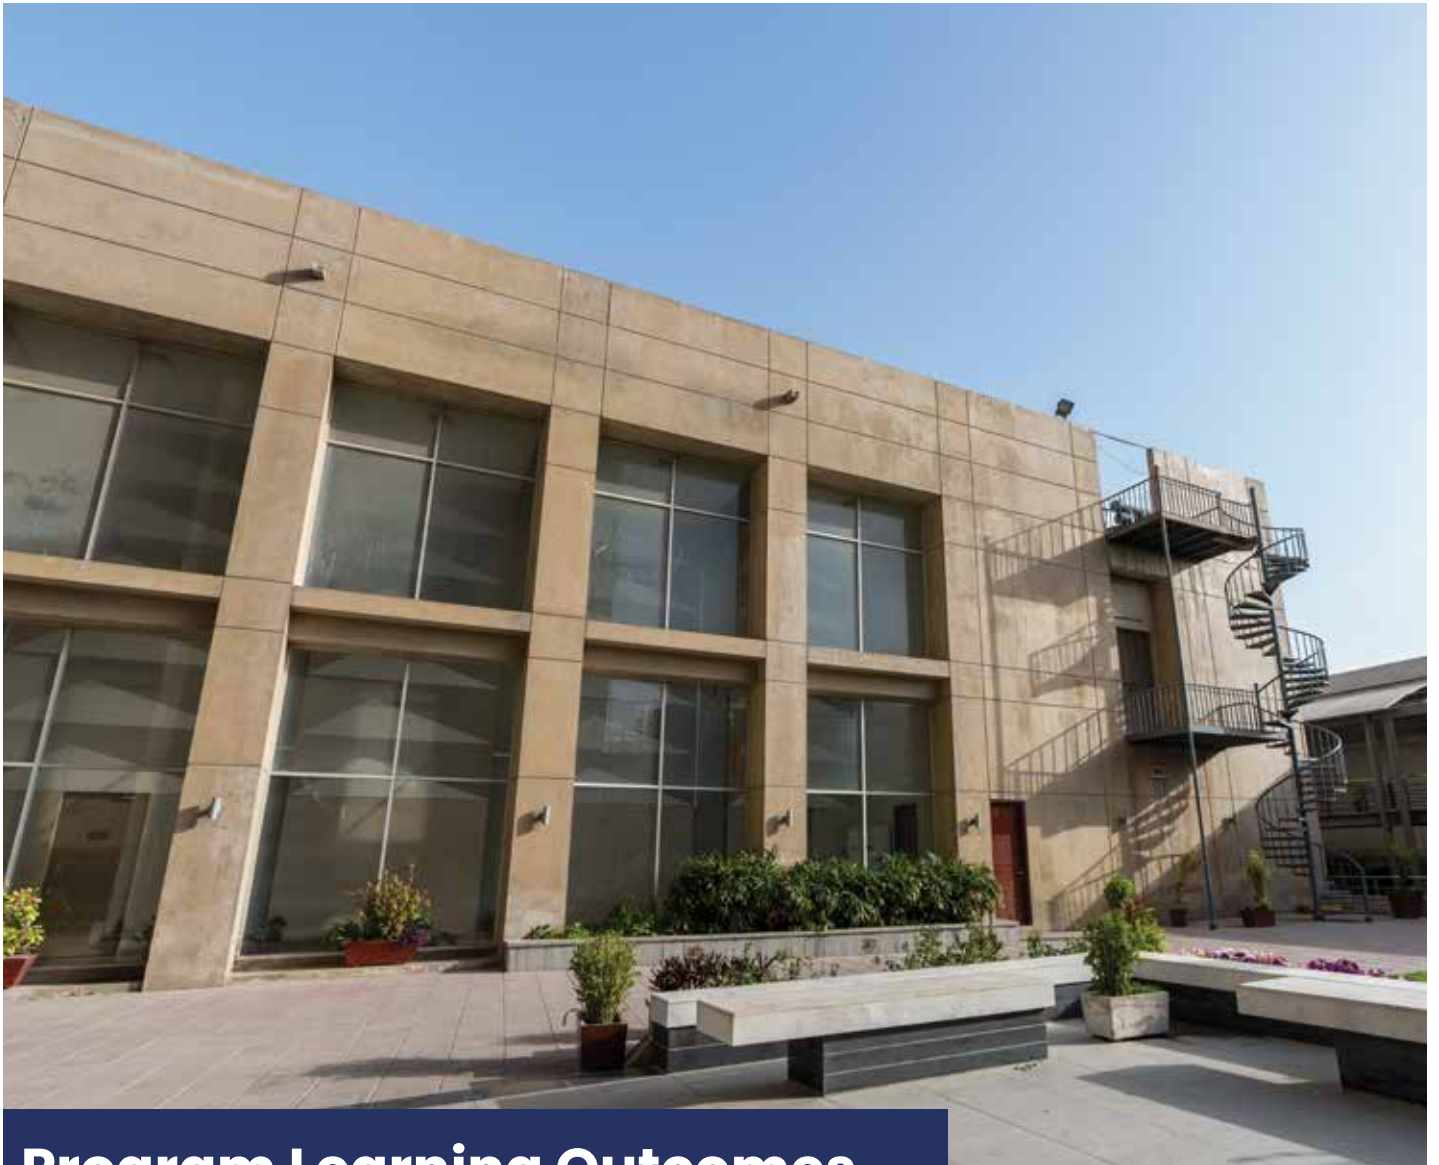

Program Overview

As a manager, you are the driving force behind outcomes that have a direct impact on the success of your organization. Managers play a critical role in their organization because they are responsible for formulating strategies, leading their teams, and keeping them motivated, making the most efficient use of allocated resources, and ensuring they are on the right track to achieve the broader institutional goals and vision. This program will be an investment in you as a manager. MDP aims to improve and reinforce your leadership abilities and equip you with the skills and knowledge that will help you effectively manage and develop your teams. It will boost your competence as a valuable resource for national and international organizations. In this program, you will meet other industry professionals like yourself, overcome practical challenges, and work as a team to find effective solutions. The program consists of completing five modules over a two-day course.

Course Outline

- Leadership: Becoming an Effective Manager
- Communication: Influential Communication
- People Management: Employee Engagement and Motivation Building
- Team Building and Team Management

Program Learning Outcomes

- Participants will learn and apply knowledge, skills, insights and attitude to manage managers, employees and work organization in more effective and efficient manner.
- This program will enhance the team building and management skills like communication, leadership, motivation, delegation and change management.
