

Building Team Excellence

May 7 & 8, 2025

NIBAF, Islamabad

Program Overview

As a manager, you are the driving force behind outcomes that directly impact the success of your organization. Managers play a critical role in formulating strategies, leading teams, keeping them motivated, making the most efficient use of allocated resources, and ensuring alignment with the broader institutional goals and vision. This program is an investment in you as a manager.

The Management Development Program (MDP) aims to enhance and reinforce your leadership abilities, equipping you with the skills and knowledge necessary to effectively manage and develop teams. It will strengthen your competencies, making you a valuable asset to national and international organizations. During the program, you will collaborate with other professionals from the industry, tackle practical challenges, and work in teams to develop effective solutions. The program comprises five modules delivered over the course of two days.

Course Outline

Effective leadership requires the development of strong management skills, impactful communication, and the ability to inspire employee engagement and motivation. To truly excel, leaders must also focus on building and managing cohesive teams—leveraging collective strengths to achieve shared goals. By mastering these areas, managers can lead with confidence and impact, ensuring their teams remain driven, productive, and aligned with organizational success.

PROGRAM LEARNING OUTCOMES

- Participants will learn and apply knowledge, skills, insights and attitude to manage managers, employees and work organization in more effective and efficient manner.
- This program will enhance the team building and management skills like communication, leadership, motivation, delegation and change management.
