

Total-Rewards Workshop

10 & 11 September, 2025

City Campus, IBA Karachi

Program Overview

Unlocking the Power of Total Rewards

In today's competitive business landscape, organizations need to rethink their Total Rewards strategies to attract, retain, and motivate top talent. The topics have been carefully chosen to provide the professionals with a comprehensive view and learning around critical aspects of Total Rewards management that can be replicated based on the needs of the organization. This interactive workshop provides HR professionals, compensation and benefits specialists, and business leaders with the knowledge, skills, and tools to DESIGN and IMPLEMENT effective Total Rewards programs.

Course Outline

- **Salary Structure Development:** Master multiple methodologies and global perspectives to design effective pay-bands. Design and strike a balance between internal equity and external parity.
- **Engaging Generation Y & Z:** Discover non-traditional elements of Total Rewards to engage newer generations, using employee wellness, WFH, continued education, career streams, and flexibility.
- **Sales Incentive Plans:** Acquire the art of designing SIPs for superior sales results.
- **Performance Bonus:** Design performance bonuses for non-sales employees to align behaviors and efforts with company goals.
- **Customizing Benefits:** Understand your Internal Customers' perceived value on benefits and optimize engagement and retention through benefits redeployment.
- **Job Evaluation:** Acquire understanding on JE methods, especially point-based system through an exercise and comprehend changing global trends in job evaluation
- **Compensation and Benefits Surveys:** Leverage compensation for competitive advantage through 4 real-life short scenarios/ case studies.
- **Rewards and Recognition:** Leverage non-monetary elements to boost engagement and motivation.
- **Annual Salary Review Cycle:** Empower supervisors, retire the Bell-Curve, and build alternative tools and approaches.
- **Benefits for Newer Generations:** Design benefits considering changing trends, cost-benefit analysis, affordability & sustainability and monetization.
- **Total Reward Communication:** Brand and merchandise your pay package for maximum impact.
